Endowment Scholarship Fund

The Cavalier Endowment Scholarship Fund
c/o The Chillicothe Education Foundation
235 Cherry Street, Chillicothe, Ohio 45601

The Cavalier Endowment Scholarship Fund provides scholarships to Chillicothe High School graduates in pursuit of post-secondary education, and to faculty of Chillicothe City Schools who want to continue their scholarly pursuits. The Fund was established in 2002 by the Chillicothe Education Foundation.

As alumni, we are enlightened by our years at Chillicothe High School and special teachers who took the time to ignite our love of learning. What better way to honor your alma mater than to help deserving CHS graduates and faculty achieve their scholarly dreams.

For many CHS students and faculty, financial restrictions curtail these dreams. Knowledge that substantial scholarships are available will motivate students to excel in academics and broaden their extra curricular activities. It will encourage faculty to continue their education in order to enhance their ability to bring out the best in their students.

We believe the Chillicothe community and alumni of CHS can provide a greater source of illumination that will linger long after the initial flame is ignited. The Cavalier Endowment Scholarship Fund is an opportunity for all of us to give something back to an institution, which helped each of us.

Every gift is special and needed in order for us to make a difference, a difference between whether a young person is able to continue their education. Your gift will be invested and the growth from that investment will help fund scholarships now and in the future.

Contributions to the Cavalier Endowment Scholarship Fund may be made in single payment, yearly pledge, and through wills, trusts and insurance policies.

Gifts are managed and invested by a Board of Trustees, appointed by The Chillicothe Education Foundation Board of Directors. The Chillicothe Education Foundation is a 501(c)(3) corporation to which gifts are tax deductible.

The criteria for student scholarships include: financial need, academic achievement, extra curricular activities, college aptitude test scores and teacher evaluations. All deserving applicants have an opportunity to qualify.

All levels of giving are meaningful and societies have been established for contributors:
